How to Pass a Bill

Maybe you have an idea for a new holiday:
National Children's Day

To get this Bill started:
Write to a Member and ask to have a National Children's Day.

1. The Member likes your idea.
2. The Member introduces the Bill.
3. The Bill goes to a Committee. If passed it goes to the full House or Senate.
4. The House and Senate vote on the Bill. It is then sent to a Conference Committee.
5. A Conference Committee has Members from both the House and Senate. They fix any differences between the Bills passed in the House and the Senate.
6. The finished Bill goes back to the full House and Senate for final approval.
7. The President signs the Bill.

The Bill becomes law!!!!!
